

April 2014

Fishing Club Follow Up

Special Note: Our emails only go out to BSIBC members only.

This month meeting was **April 8th 2014** at CHEC and 20 were in attendance.

Our guest speaker Robert Lugiawicz (pronounced Smith) gave us lots of info on fishing for shark big and small, Tarpon fishing and where to look for them in the harbor. Another great job out thanks to Robert.

Our donation kitty is up to \$199.00 so we can make a nice donation the CHEC in appreciation of them letting us use their space and making coffee.

Next month Captain Nevin Colver will give us a demo and a few tips on cast netting for bait. Will have more for May to share with you soon.

Thank you for sharing your fishing experiences at our meetings

Captain Doug
