

January 2015

Ahoy all, A special thanks to Tom Kasprzak for an excellent talk on wade fishing and Capt. Nevin for his tips on off shore rigs and how to fish um.

26 Fisherpersons attended our meeting and shared their fishing experiences of late. I hope you all will send me some pics of what you catch over the next month to show at our next meeting Feb.10<sup>th</sup>.

A big thanks to CHEC for offering their AV equipment for our use so let's use it. If you have something you want to show or present put it on a thumb drive and I'll plug it into my laptop at the meeting.

At the end of the meeting Len Harris gave us some insight from his position on the MAC Board into what's going on (or not) with the Alligator Creek dredge. One thing is for sure NOTHING MOVES VERY QUICKLY, with our governmental agencies. MAC is involved with so much that involves our aquatic community it would be worth a trip up to observe one of their meetings. If you are interested, contact Len for details.

After contributions to our (donut fund) our balance is \$127.75 and I will be spending a bit buying coffee before our next meeting. Next Meeting, Feb.10<sup>th</sup> Same Place, Same Time.

Good Fishing,  
Capt. Doug & Capt. Nevin
